Guns were out in Packard before Ward came home, only gun in house when he arrived was Wards gun. After Charles and Ward got thru wrestling around and had shot Ward, Charles states Carl had Meyers 22, she must have gotten it out of Packard.

Charles says Carol actually hated her parents, especially her step dad because, he was to tight with money.

I shot in Ward home basement, on so wall east side of steps, another shot as Ward running up steps, another shot at Wards as he was opening front door. Says he was running after Ward between Kitchen steps and in L.R. says he believes Carl shot at Ward.

States he believes Carol shot rifle off in kitchen as Ward ran for front door, as he came up from basement.

Carol threw clothes out of rear window after they left Seward, thinks knife could have been thrown out here too, however he insists he hadn't seen knife since Bartletts home.

Called Charlesa (dirty son of a bitch) after he came back from cane on school. Wouldn't talk to him for a ½ hour, wouldn't help in getting car unstuck until he stole (He would rape her)

Milk man came and bread man came about 8 A.M believes they both came 3 times during week. Charles never went to door at any time! Gave Carl money on each occasion to pay both bread, milk man. Thinks the bill might have been 98 cents.

knife Mrs B had went in Carls bedroom,
stabbed him 2-3 times in side or back, knife
wouldn't go in. Tried to push it in his

R. sofa near west wall, (Carol stated) (This is what we wanted, but didn't think it would ever happen), Chuck sat down with her, sat on sofa 1-2 hours, he had turned on T.V. Carol stated (We had better get this cleaned up, as she couldn't stand sight of it) Chuck stated (He would clean it up) Chuck went into kitchen ~~put~~ another shell in gun he had left ~~left~~ gun on table in L. R. found it in kitchen standing on south wall next to refrigerator. ~~Knife he~~ threw at B. Jean was lying on the floor by her feet, washed knife off, went in Carol room got 1 heavy blanket, smaller blanket grayish white off of L. R. sofa, picked 2 sheets 1 bun blanket bed spread off of Mr. Mrs B bed. Went out to kitchen to wrap Billy Jean 1st, she was bloody so sat her in sink, started wrapping Mrs B. then wrapped up B. This was about 7:-7:30 just after dark, carried B Jean out 1st then Mrs B next, emptied bottle perfume in toilet, went in get Mr B. wrapped in sheets, dragged him out after taking off screen door. Took 45 minutes to get Mr. B out in chicken house. Carol in house, while he disposed of body.

Change this

Prior to wrapping body's he had started wipe up blood; by piano also mopped floor when blood was. He had a cardboard box that he put bloody rags in he was using to mop wipe up floor. While he was doing this Carl had wiped up some of the blood as there were more bags in box that he had put in. Got all thru about 8:00 p.m then changed to blue cowboy shirt, went to Hertzens bought 2 rolls tape, package of Kool, Potato Chips 3 bottles pop, pint of ice cream Neopolitan 3 flavors, took back to house, Chuck had ice cream, bottle of pop, Carl had Potatoe Chips, bottle of pop. Chuck Carl fell asleep. Chuck in chair, T.V on but stations off. Carl stretched out on sofa asleep. Chuck stretched out on sofa by her, both slept her rest of nite woke up 6:30 7:A.M.. Carls girl friend came by for her to go to school, noone answered door, both got up talked about getting some kind of a story together, made up story about O'Brien. To make it look like Carl had been tied up he used 1 roll to wrap around her fingers then take it off, then putting it on again 2-3 times so if they were caught it would bear out story of her being a hostage. Then Chuck took some rope from clothesline tied her wrists and ankles, then he cut them off or untied them, leaving them on floor so if Officers looked they would find evidence again of her being tied against her will. Chuck's idea of using tape, Carl's idea about using rope. They were going to leave there for 3 or 4 hr. Morning but they kept

putting it off, no particular reason, (states was enjoying life there mostly was reason not leaving.

Chuck yelled down Carl from downstairs where he stayed, Carl answered so he stepped up stairs, then stepped up 2 steps but at top of stairs with flashlight in hand coming down steps.

Still maintaining threw clothes out at some spot. Didn't see knife discarded.

Carl was upstairs last time to get clean shirt, and to get Chucks knife on maids floor on bed after he said to cut chucks throat up in maid.

Wondered what was keeping him as he had stated gone to toilet.

Charles ~~went~~ was going upstairs in Ward home got about 3 steps up, when Carl came down, he turned around went back to downstairs bath room, had shirt off, went back to bath room to put other shirt on. Chuck asked Carl (What the Hell took U so long) Carl stated Maid trying to get away and either stated she did stab her a couple of times or maybe whither she should stab the maid or not. believe 1st statement correct.

Carl didnt say anything then

After Charles came back up out of cave Carl in front seat, of car he got in, backed up, not watching what he was doing backed in ditch. Chuck got out to look around, started jacking car up, there about ½ hour when Carl stated (I've got to go to rest room) Chuck stated (What are U mad about, she called (him a dirty son-of-a bitch) then Chuck told her to go behind bush on true, gone about 10 minutes, could have gone down into cave then. Charles now stated he did not have intercourse with Peggy girl, only stated he had to keep Carl out of this, as he had about something pulled in Peggy girl.

about 7:30 PM 1-25-58

This Sat. nite Rod-Bob came out, Carl talked to Rodney who unlocked his gun, and Carl thought they acted suspicous, So Chuck told Carl he didn't want them to be suspicous so he decided to give them a wild goose chase to make them believe he wasn't at Bartletts. So he called from Hutson's grocery. Telling them he was out at Tates.

Carl said he had better call up Barbara Rodney's wife and give her some excuse
