HISTORICAL NOTE

The Superior Branch of the American Association of University Women was organized in 1951. Its purpose was "to united the alumnae of colleges and universities...for practical education work." The local group was also to work for the solution of social and civic problems and also in the development and promotion of policies set by the nationally-organized American Association of University Women. The Superior Branch disbanded in 1971.

SCOPE AND CONTENT NOTE

This collection consists of one box and one oversize volume of manuscript material arranged in six series: 1) By-Laws, 1958; 2) Minutes, 1950-1971; 3) Branch Reports, 1951, 1954-1971; 4) Financial Records, 1951-1971; 5) Programs, 1951-1967; and 6) Scrapbook, 1962-1971. This material relates to the organizational history and activities of the Superior, Nebraska, branch of the American Association of University Women.

The By-Laws of Series One describe the government, purpose, membership qualification, dues, officers, committees, meetings, and rules followed by the Superior, Nebraska A.A.U.W. Originally adopted on December 11, 1950, this set of By-Laws was revised on March 13, 1958.

Series Two consists of Minutes, 1950-1971. Entries detailing regular meetings provide information on the organization of the Superior branch of the A.A.U.W. Also recorded are guest speakers and their lecture topics, plans and activities, treasurer's reports, committee appointments, and committee reports.

The Branch Reports of Series Three include reports on membership, 1954-1961; financial status, 1951; fellowship, 1967-1970; and development, 1970-1971. The membership reports record names, address, and dues. A treasurer's report for February 6, 1951, shows the same information. Fellowship reports provide contribution totals. An evaluation by the development chairman gives statistical information on membership, finances, publication, attendance, and program techniques and topics.

Series Four consists of the Financial Records of the Superior branch of the A.A.U.W. Entries show dues, money raised, and expenditures for the group's entire history, 1951-1971. The Programs, 1951-1967, of Series Five provide listings of branch officers, committee chairmen, and membership. Program topics and speakers are noted.

Series Six is comprised of a Scrapbook, 1962-1971, which includes programs, newspaper clippings, bulletins, and officer and membership listings.
