

NEBRASKA STATE HISTORICAL SOCIETY COLLECTION RECORD

RG4006.AM: Bates, Al - KFAB Radio (Omaha, Neb._

Omaha, Douglas County, Neb.: Engineer for KFAB Radio
Radio broadcasting materials (copies only): 1925-1969
Size: 0.5 cu.ft.; 1 box

SCOPE AND CONENT NOTE

This collection consists of photocopies of various radio broadcasting materials (primarily KFAB Radio in Omaha) dating from 1925-1969. The materials were provided by Al Bates, a former engineer for KFAB Radio. The collection includes copies of a radio log book, various KFAB publications, two scrapbooks, and misc. other items relating to radio broadcasting in Nebraska.

Note: See the photo component [RG4006.PH] for various photos relating to Al Bates and KFAB radio. See also RG4768.AU for several audio recordings from KFAB Radio.
