HISTORICAL NOTE

Cedar County, located in northeast Nebraska, is bordered by the Missouri River on the north, Dixon county on the west, Wayne and Pierce counties on the south, and Pierce and Knox counties on the west. Like most lands located along the Missouri River, explorers discovered this area early. A Frenchman named Trudeau first came through this part of the country in 1796. The Lewis and Clark Expedition traversed the area in 1804. Later, in 1808, Nuttal and Bradburg returned east with favorable reports of the general area. Such reports provided the incentive for later arrivals of trappers and settlers.

The county was organized by an act of the territorial legislature on February 12, 1857, and St. James was declared the county seat. The boundaries were redefined on January 13, 1860. In the fall of 1857 the first county election was held. The first elected officials included Commissioners John Patterson, A. S. Chase, and D. F. Ames; probate judge, M. Jones; and clerk, George L. Roberts.

The county seat was moved from St. James to St. Helena in 1869 because of the latter's larger trade business. In 1885 the county seat was moved again to Hartington due largely to its central location within the county and the resultant convenience. The site of local government administration for Cedar County remains in this community. The county derived its name from the presence of cedar trees in the area.

SCOPE AND CONTENT NOTE

This collection consists of records of Cedar County, Nebraska arranged in the following subgroups: 1) Treasurer's Records, 1864-1952; 2) Assessor (no records); 3) Board of Commissioners, 1861-1899; 4) County Clerk, 1872-1995; 5) Register of Deeds, n.d.; 6) County Court, 1870-1905; 7) District Court, 1868-1977; 8) Superintendent of Schools (no records); and 9) School District Records (no records)

The bulk of this collection is contained in Subgroup One, County Treasurer, on microfilm. This subgroup is divided into four series: 1) Tax Lists, 1864-1908; 2) Delinquent Tax Lists, 1870-1878; 3) Motor Vehicle Tax Lists, 1944-1952; and 4) School

Chronological Index - 12
Land Records, 1868-1967. Included in series one of this subgroup are real and personal tax lists showing assessed valuation, state and county tax, school district tax, sanitary tax, address, receipt number, date of payment, person paying, and delinquency. The School Land Record of Series Four list description of land, appraisal value per acre, sale price, purchase price, amount of note, amount of installments, total amount paid, etc.

Of special significance is Subgroup Three, Commissioners Proceedings, which are also on microfilm and are complete from 1861-1959. This record provides an excellent means of following the official decisions affecting the development of the county.

Subgroup Four, County Clerk, contains the marriage records of Cedar County, 1872-1995, on microfilm produced by the Genealogical Society of Utah in cooperation with the Nebraska State Historical society and the county clerk. Unfortunately, Vol. #1 of marriages, 1872-1887, is for the most part illegible on microfilm. Patrons are requested to contact the county clerk for the original record until this volume can be refilmed. The Election Records of Series Two, includes abstracts of votes cast for both primary elections (1907-1964) and general elections (1907-1972) on microfilm. There are also unfilmed abstracts of votes cast for the general elections of 1894-1899. Votes are recorded at the precinct level.

Subgroup Five, Register of Deeds, consists of a single numerical index of ranges 2 & 3 east and which contains no dates.

Subgroup Six, County Court, is divided into Four series: 1) Probate Records, 1891-1902) 2) Judge's Dockets, 1879-1880; 3) Civil Dockets, 1883-1905; and 4) Justice Dockets, 1890-1899;

Subgroup Seven, District Court is divided into seven series: 1) Naturalization Records, 1868-1949; 1) General Index and Court Calendars (no records); 2) Appearance Dockets, 1868-1941; 3) Complete Record, 1874-1941; 4) Daily Journals, 1872-1939; 5) Judgement & Execution Dockets, 1872-1968; 6) Case Files (no records); 7) Bills of Exception, 1928-1977; 8) State Tax Suit (no records); and 9) Miscellaneous Dockets, 1895-1938.

Series One Naturalization Records, was microfilmed by our agency in July, 1991. A card index to naturalizations is available on 16mm microfilm in the West Reference Room filed with other county naturalization records. One note in particular about the indexes to naturalizations in Cedar County. They have been found to have inaccuracies and some names are omitted from both the card index and the indexes at the beginning of volumes (see note at beginning of SG6, S1). For complete accuracy, patrons should do a page by page search for individuals believed to have been naturalized in Cedar County. Please read note at beginning of index roll for more information on the use of this index. Series Seven, Miscellaneous Dockets, contains a single volume, Incumbrance Docket, 1895-1938, which registers liens on real estate property.
