Professional Engineers & Architects

Records: 1937-1986  
Cubic ft.: frac.  
No. of Items: 4 reels 16mm microfilm

## HISTORICAL NOTE

The 1937 Legislature created the Board of Examiners for Professional Engineers and Architects which registers qualified engineers and revokes registrations when necessary. The board is supported through fees on those that use the board's services. It consists of seven members, five appointed by the governor, including three professional engineers and two professional architects.

## SCOPE AND CONTENT NOTE

This collection consists of the minutes of the Board of Examiners for Professional Engineers and Architects and registration records of engineers and architects who have been granted Nebraska registration and are either deceased or inactive in the state. These registration records include photographs of the subjects, biographical information, education, and experience rosters.
