## HISTORICAL NOTE

Hall County, one of the oldest counties in the state, was first settled in 1857 by a group of 37 settlers from Davenport, Iowa. This initial settlement, located at the present site of Grand Island, was financed by the Chubb Brothers and Burrows Co. and later by the state. The belief that the transcontinental railroad would pass through this point was an important factor in the settlement of this area.

After several difficult winters, Indian raids and invasions of grasshoppers, Grand Island and the surrounding area began to prosper. This was due to its location on the Platte River, which was part of the route west to Colorado and other sites of recent gold discoveries. It became a trading location and could demand high prices for food and other necessary supplies.

Hall County was organized by an act of the Legislature approved November 4, 1858. The county's first officers were elected in 1859. Boundaries were redefined February 1, 1864, and again March 1, 1871. The county was named for Augustus Hall (1814-1861), chief justice of the Territory of Nebraska, 1858, and a former Congressman from Iowa. Grand Island became the county seat.

Subgroup One, Assessor's Records, are divided into three series: 1) Records on Microfilm, 1912-1938; 2) Records not on Microfilm, 1908-1945; and 3) Miscellaneous, 1903-1937.

Series One includes assessment schedules on microfilm for the years, 1912-1938 and can be found shelved under RG260 in the West Reference Room. Only scattered volumes remain for earlier and later years for Hall County. The bulk of these assessments were destroyed by order of the Hall County District Court in 1968. Additional Assessor's records were accessioned in 1989 and appear as Series Two and Three, 1903-1970.

The State Archives has recently received the Tax Lists of Subgroup Two, Series One, for microfilming. Also included on microfilm are Series Two, Delinquent Tax Lists; Series Three, Special Taxes and Tax Sale Records, 1872-1911; and Series Four, Motor Vehicle Tax Lists, 1953 only. The volumes contained in Series Five, Miscellaneous Records, are not on microfilm and include Tax Receipts, 1869-1871; Tax Levies, 1937-1940; a general ledger registering fund accounts and land lease records, 1888-1896; and two school land ledgers, 1879-1898.

The volumes in the County Clerk's office include an early livestock Mark and Brand Record, 1867-1909; Bounty and Estray records, 1874-1917; a register of Ranch and Farm Names, 1911-1923; Professional Medical Registers, 1899-1943; County Bond Registers, 1870-1910; County Officials registers and Bond records for those officials, 1869-1952; records of leases and contracts, 1882-1924; Election Board records, 1897-1954; and a telephone exchange subscribers list, 1903-1905.

The records of the Register of Deeds include two numerical indices (Series One, 1868-1896) and two plat books (Series Two, 1972 & 1974).

Subgroup Six, County Court, includes various Justice Dockets for Hall County, 1872-1900. Vol. A-1 of Probate records located in Subgroup Six includes justice cases in the county, 1859-1871. Of particular interest in Justice Docket vol. 4, Grand Island Pct, is the marriage register for that precinct, 1880-1884.

County Court Records, Subgroup Six, is divided into four series: 1) Probate Records, 1859-1932; 2) Justice of the Peace Dockets, 1859-1871; 3) Court Dockets, 1880-1936; and 4) Miscellaneous Dockets, 1885-1947. Earlier Dockets of Series Three include criminal cases, 1880-1898. Volumes 14 thru 22 register civil cases only, 1899-1936. Of particular interest in Series One, Probate Records, is volume A-1 designated this number by the Probate judge when the volume was found to have no number or title. The volume contains probate cases, 1859-1871 but also includes justice cases for the same years and a marriage register for January thru June 1869. Also included in Subgroup Six, Series One is a will record, 1890-1898 and a general index, 1873-1932.

The miscellaneous dockets of this subgroup include a Judgement Index for Books 4-20 of Series One; a Register of Guardian appointments, 1890-1898;

The bulk of the records of Hall County exist in Subgroup Seven, Records of the District Court. This Subgroup is divided into Six Series: 1) Naturalizations, 1868-1957; 2) General Index (no record); 3) Court Calendars and Judge's Dockets (no record); 4) Appearance Dockets, 1883-1926; 5) Daily Journals, 1868-1972; 6) Complete Records, 1873-1908; 7) Civil and Criminal Dockets (no record); 8) Civil and Criminal Case Files (no record); 9) Bills of Exception and Exhibits, 1967-1979; 10) Judgement and Execution Dockets, 1887-1932; and 11) State Tax Suit (no record); 12) Insanity Record; and 13) Miscellaneous Court Dockets, 1884-1908.

Series One, Naturalizations can be found on 3 reels of microfilm shelved with other county naturalization records in the West Reference Room. Series Four, Appearance Dockets are arranged by case number. In earlier volumes civil and criminal cases are separate. Included are two trial dockets to fill gaps in the appearance dockets, vol. 1A, 1883-1887 and vol. 18, Oct. Term 1926. Consecutive records are included for cases filed in Hall County District Court, Jan. 1884 - Oct. 1916. Vol. 1, 1868-1884 is missing.

Series Five, Subgroup Seven, contains Daily Journals (minutes) of the District Court. Cases are registered each day as they appear on the docket. Dockets are in chronological order by term of court. The Journals for May-Sept. 1879 and Oct. 1884-May 1888 are missing.

Series Six, Complete Records, 1873-1908, are prepared after each case is closed. Records of an entire case appear in the volumes. The dates of closing of the cases most closely gives you the inclusive dates of the volumes. Patrons are referred to the Appearance Dockets to locate the correct Complete Record volume that relates to cases they are researching.

Series Nine, Bills of Exception & Exhibits include recently accessioned bills of exception for selected cases, 1967-1979.

Series Ten of Subgroup Five includes Execution Dockets registering final disposition of Judgements and transfers to another court. Dockets are included for the years, 1887-1932.

Series Eleven contains a docket of Commissioners of Insanity, 1884-1891.

Series Thirteen contains miscellaneous dockets of the District Court including a Sheriff's sale record for property sold as a result of court action, 1887-1908; and the Bills of Exception for the criminal case State v. Kilkenny, 1887.

Subgroup Nine, School District Records, contains one series for School District #1 with records relating to that district for the years 1867-1893. The preceding records were transferred from the manuscript collection of William Stolley, former director of School District #1, which is housed at the Nebraska State Historical Society. Subgroup Nine, Superintendent of Schools, contains a single register of pupil transfers from Hall County schools, 1896-1913. Subgroup Ten, Hall County Jail Records, includes ten

volumes of registers giving prisoners names, description, date of admittance, date of release, and any other pertinent relating to individual prisoners in the Hall County Jail, 1910-1941.

Subgroup Ten, County Coroner includes two dockets for coroner inquests, 1904-1959, which includes correspondence and newspaper clippings.

Subgroup Eleven consists of the Jail Registers of the County, 1910-1941. A compiled index to the registers is included.

The bulk of the collection was transferred to the State Archives in January 1981 including records for all offices. The early accession of Assessment Schedules were microfilmed in December of 1985. The later assessment volumes were accessioned January 19, 1989. Also in January additional records for the County Clerk's office, the County Court, the District Court, and the Treasurer's office were accessioned. At that time the Naturalization records were received and microfilmed in February of 1989.
