

NEBRASKA STATE HISTORICAL SOCIETY COLLECTION RECORD

RG1987.AM: League of Women Voters of Nebraska (Neb.)
Records, printed matter: 1919-1980's
Nebraska: Voting and legislative education organization
Size: Approx. 20 cu. ft.

BACKGROUND NOTE

Following confirmation of the 19th Amendment in 1921, suffragettes organized the National League of Women Voters to help women exercise their right to vote. This procedure included researching, writing, and distributing information on the legislative and voting processes as well as the pros and cons of election issues. Twenty months earlier, in June 1920, Nebraska suffragettes organized the Nebraska League of Women Voters. Lincoln became the state's first local league, followed shortly by Omaha and hundreds of provisional leagues and units across the state. Most did not last. Men became full voting members in 1974. In 2000 the State League of Women Voters was supported by local leagues in Greater Omaha, Lincoln/Lancaster Co., Seward, and Hastings, plus a Grand Island Unit and many members at Large.

SCOPE AND CONTENT NOTE

This collection consists of local, state, and national League of Women Voters records pertinent to Nebraska. Its five subgroups are: 1) Nebraska State League; 2) Greater Omaha League; 3) Lincoln/Lancaster County League; 4) Small Leagues, Units and Members at Large (MALs); and 5) National League.

To keep the organization as close to original order as possible, treasurer's reports often are filed with board minutes and correspondence often can be found with relevant issues. Sources for this collection include official records, committee files, scrapbooks, newspaper and magazine clippings, and personal records.

Note: Boxes 21-23 were added to the collection at a later date and are currently unprocessed. See the end of the inventory for more information about these materials

See also the Photo and Audio components for related materials.
