The Nebraska Historic Resources Inventory Form is used by the Nebraska State Historic Preservation Office (NeSHPO) to facilitate inventory and evaluation of the state's historic and architectural resources. Submission of the completed form accompanied by photographs, floor plans, site plans, and bibliographical sources, provides NeSHPO staff with the basis for evaluating a property's integrity and significance, and adds to the permanent record of Nebraska's historic properties.

For NeSHPO use only:

Site Number _____

Submitted by _____

Date received _____

Instructions

Please be as detailed as possible in completing the form. Attach additional sheets or supplemental information as necessary.

History and Significance

On a separate sheet, describe the property's importance to state or local history; this may include significant events or people associated with the property, important dates, or architectural significance. (List sources used in the Bibliography; if possible, include copies of the research material.)

Bibliography

On a separate sheet, list published and/or unpublished sources or other information such as early photographs, maps, newspaper articles, and histories. (When appropriate, cite author, title, place of publication, date, and page numbers. If possible provide copies of sources used.)

Photographs

Enclose current, clear photographs of the property, including representative interior shots. A minimum of two photographs is required for a single property showing all sides. For complexes, farmsteads, and landscapes, include general views as well as individual views of major buildings/structures/objects. Photos should be keyed to a site plan. See Sample Sheet.

Floor plan (for buildings and structures)

On a separate sheet, provide a plan that indicates the location and arrangement of first-floor rooms (and a typical upper-floor plan for multi-storied buildings), including doors and windows. Also provide exterior or interior measurements. See Sample Sheet.

Site plan

On a separate sheet, indicate the arrangement of buildings/structures/objects in their setting. Information about other landscape features such as fences, corrals, outhouses (either standing or demolished), cellars, trails, or the approximate location of demolished buildings, are also of interest. See Sample Sheet.
