HISTORICAL NOTE

Otoe County, Nebraska, was organized originally as Pierce County and was proclaimed by acting Governor Thomas Cuming as one of the eight original counties. When the official boundaries were determined by the Territorial Legislature in 1855, the name was changed to Otoe, honoring the Indian tribe of the same name. The first election was held December 12, 1854.

Otoe County was explored as early as 1804 when the Lewis and Clark Expedition camped on the Missouri River near the present site of Nebraska City. In 1846, the United States Army established Fort Kearney on the Missouri River for the protection of settlers and the overland routes in the area. In 1848, the fort was moved to a final site in what became Kearney County.

The first county seat has remained permanently at Nebraska City. The county was the home of J. Sterling Morton, one of Nebraska's most distinguished residents.

SCOPE AND CONTENT NOTE

This record group consists of the official records of Otoe County arranged into the following subgroups: 1) County Treasurer, 1858-1967; 2) County Assessor, 1858-1895; 3) County Board of Commissioners (no records); 4) County Clerk, 1855-1994; 5) Register of Deeds, 1854-1891; 6) County Court, 1867-1987, including probate records (volumes and case files); 7) District Court, 1855-1955; 8) Superintendent of Schools, 1934; and 9) School District Records, 1872-1938.

The records of the County Assessor, Subgroup Two consist of Nebraska City and precinct assessment documents, 1858-1895 only. These records have not been microfilmed.

County Board of Commissioners, Subgroup Three contains two subgroups: 1) Commissioners Proceedings and 2) Correspondence and Supplemental Documents. The original records for the commissioner’s minutes remain stored at Otoe County Courthouse.

The bulk of Subgroup Four, County Clerk, are the marriage dockets of the county, 1855-1979, and indexes through 1994. These records were microfilmed by the Genealogical Society of Utah in 1994. The original records remain at the county courthouse. Also included in the county clerk's records are abstracts of votes cast in elections, 1872-1880, a physician's record, 1881-1891, and a directory of officials, 1871-1874.

Records of the Register of Deeds, Subgroup Five, consist mainly of Abstract of Title volumes (numerical indexes), 1854-1891, and Grantee/Grantor information books, 1855-1878.

Subgroup Six, County Court, is divided into four series: 1) Probate Dockets (see Series 1); 2) Justice of the Peace Dockets, 1867-1885; 3) Calendars and General Indexes; 4) Civil and Criminal Dockets; and 5) Judge's Dockets, 1870-1900; 6) Delayed Birth Records, 1940-1988; 8-10) Contain No Records and 11) Miscellaneous Volumes, 1868-1904.

District Court records, Subgroup Seven, are arranged into series: 1) Naturalization records, 1855-1954; 2) General Indexes; 3) Court Calendars & Judge's Dockets, 1868-1917; 4) Appearance Dockets, 1857-1920; 5) Daily Journal, 1861-1894; 6) Complete Record; 7) Civil and Criminal Case Files, 1930s; and 8) Bills of Exception, 1894-1950's. Series one, Naturalizations, appearing on 3 reels of microfilm, is shelved with other naturalizations in the reference room. Series Four, Daily Journals, were copied from security microfilm held in the Archives for Otoe County District Court. This microfilm was produced by Information Systems, Inc. of Omaha for the county in January of 1976. The film is of poor quality. Copies and legibility are questionable.

Subgroup Eight, Superintendent of Schools contains one box of Teacher's Monthly Grade Reports to the Superintendent for 1934. These records may contain confidential information and therefore are restricted to staff use only. See Reference staff for access to these reports.

Subgroup Nine, School District Records, 1872-1898 is divided into the following series: 1) School District #12, 1876; 2) School District #16, 1872-1883; 3) School District #102, 1893-1898; and 4) School District #22/63, 1931-1938.

The first accession of Otoe County records was made in 1956. Records of the county court were added in May and July of 1977. District Court Dockets were accessioned in 1977 and the Naturalization Records in April of 1978. The Naturalization records were microfilmed in 1980. Bills of Exception have been accessioned into the Archives, 1976-1984. The Tax Lists of the county were accessioned in 1977 and microfilmed by the State Archives in 1988. The most recent accession for Otoe County has been microfilm of the marriage records produced by the Genealogical Society of Utah in 1994.

**SERIES FIVE  DAILY JOURNALS - MICROFILM RECORD  MP2483**

**NOTE:** This series was microfilmed by Information Systems, Inc. of Omaha, NE for the county in January of 1976. The State Archives is not responsible for microfilm not produced by this agency. These are diazo copies of security microfilm belonging to the county and were donated to the Archives. Because the journals contain early naturalizations for Otoe County, the microfilm is shelved with the naturalization records in the Reference Room.
