### **SCOPE AND CONTENT NOTE**

This record group consists mainly of Tax Lists and Marriage Records for Pawnee County, Nebraska. Only miscellaneous records are in storage for the other offices of the county. The collection is divided into nine subgroups: 1) Treasurer, 1864-1956; 2) Assessor (no records); 3) County Board of Commissioners (no records); 4) County Clerk, 1858-1994; 5) Register of Deeds (security microfilm only); 6) County Court (no records); 7) District Court (security microfilm only); 8) Superintendent of Schools (no records); and 9) School District Records (no records).

The Tax Lists of the County were accessioned by the Archives in 1977 and microfilmed in 1986. Included are Personal, Real Estate, and Motor Vehicle Tax Lists. Some Real Estate Tax Lists, 1872-1879, missed in original filming were accessioned in 1995 as well as a delinquent tax list, 1864-1880 and a tax sale record, 1902-1926. The latter records have not yet been microfilmed.

The next subgroup containing records, Subgroup Four, County Clerk, consists mainly of the Marriage Records of the county microfilmed by the Genealogical Society of Utah at the county courthouse in 1995, with the cooperation of the Nebraska State Historical Society and the county official. A physician's register was accessioned in August of 1995 and dated 1881-1891.

The deed records for Pawnee County, 1857-1977, exist on security microfilm only. Records microfilmed were the Deed Books, Mortgage Books, Miscellaneous Record, Plats, Surveyor Books, and Road Records. This microfilm can be copied for reference with permission of the county Register of Deeds. Contact the Public Records Officer for information.

Only the Appearance Dockets and Judgement Dockets of the District Court, Subgroup Seven, have been put on security microfilm. These date from 1984-current. All other records of the District Court, except for the Naturalization Records, remain at the county courthouse.
