Aviators log book: ca. 1928-1938
Lincoln, Lancaster County, Neb.: Pilot
Size: 1 item

What will I find in this collection?

RG5796.AM: The collection consists of an aviators log book kept by Malcolm S. Smith. The log book dates from ca. 1928-1938 and covers the time period from when Smith was a student training in Lincoln, Nebraska, for his pilot's license and various certifications. The log book records such information as the date, type of plane flown, type of engine, city/airfield flown to and from, weather conditions, duration of the flight, and other remarks. Many of the log book pages are signed by Victor H. Roos, a partner in American Eagle-Lincoln Aircraft.
