Chase County, Nebraska

Records: 1886-1977

Cubic ft.: 1.5

No. of Items: 58 rolls of microfilm

HISTORICAL NOTE

Chase County was organized by a proclamation of the Governor, April 12, 1886. The town of Imperial was designated as the county seat. Prior to its organization, the area of Chase County had been attached to Hayes County for judicial and legal purposes. The Burlington Railroad reached Imperial in 1892 but was not extended beyond the town. Chase County's principle watercourse is the Frenchman River. The county was named in honor of Champion S. Chase, the first Attorney General for the State of Nebraska.

SCOPE AND CONTENT NOTE

This record group consists of the records of Chase County, Nebraska, arranged in ten Subgroups: 1) Treasurer, 1886-1961; 2) Assessor; 3) County Board of Commissioners, 1886-1957; 4) County Clerk, 1887-1975; 5) Register of Deeds (no records); 6) County Court (no records); 7) District Court (no records); 8) Superintendent of Schools, 1910-1977; and 9) School District Records, 1899-1930; and 10) Miscellany, 1896-1975.

The bulk of the collection relates to personal and real estate valuation and taxation in Chase County, Nebraska. The entire record group is contained on 58 reels of microfilm.

Subgroup Three, County Board of Commissioners, contains the proceedings of the boards' meetings, 1886-1957. These reels are Diazo Negative copies of the county's records on security microfilm and stored at the State Archives.

Subgroup Four, County Clerk, consists of one series: 1) Marriage Records, 1887-1975. These reels were microfilmed by Kermit B. Karns of Kansas City, Missouri, as a private genealogical project, and donated to the Nebraska State Historical Society.

No Records are stored at the Archives for Subgroups Five through Seven of this collection.

Subgroup Eight, Superintendent of Schools, consists of donated microfilm of the School Census of Chase County, 1910-1977. This microfilm contains records made confidential by Sec. 79, 157 and 84-712.05, R.R.S. 1943. The staff will be happy to service your reference request on this microfilm.
