HISTORICAL NOTE

Deuel County is located in the southeast corner of the Nebraska Panhandle, bordered on the east by Keith County, on the north by Garden County, on the west by Cheyenne County, and on the south by Sedgwick Co., Colorado. It is located along the route of the main line of the Union Pacific Railroad.

The Union Pacific Railroad reached Big Springs, in then Indian Territory, in June of 1867 and the Chappell area in July. Cheyenne County was organized in 1872 and the area which later became Deuel County was encompassed in the Big Springs precinct. In 1880 this precinct has a population of 99 people. The railroad began selling land in the Deuel County area in 1884 which was the beginning of increased settlement in this region. The original town of Chappell was platted in August of 1884. Big Springs was also platted in that year by the Union Pacific company.

Cheyenne County was divided into five counties by a vote on November 6, 1888 with Deuel County being formed of the east one-third of old Cheyenne County. It was again divided in 1910 to form Garden County and as a result Deuel County became the smallest county in the panhandle. From the early population of 99 people, Deuel County gained a peak population of 3,992 in 1930 to a little over 2,400 people at the present time (1980's). The county was named for Harry Porter Deuel, a pioneer railroad man from Omaha, Nebraska. The Deuel County Courthouse Company was formed in 1888 and plans made to locate a courthouse at Big Springs. At an election January 18, 1889, Chappell was chosen as the temporary county seat. A run-off battle was held February 12, 1889 between Chappell, Big Springs, and Froid, resulting in a court injunction against the other opponents filed by Froid. The case continued until a new election was ordered in April of 1894 resulting in the elimination of Froid. A subsequent election

SCOPE AND CONTENT NOTE

The bulk of the records of Deuel County consist of Tax Lists and Assessment records for personal property and real estate valuations in the county, 1889-1975. The collection is divided into nine subgroups: 1) Treasurer's Records, 1888-1972; 2) Assessment Records, 1889-1975; 3) Commissioners Proceedings, 1889-1974; 4) County Clerk, 1874-1955; 5) Register of Deeds, 1893-1951; 6) County Court (no records); 7) District Court (no records); 8) Supt of Schools (no records); and 9) School Districts (no records).

Subgroup One, Treasurer's Records, is divided into seven series: 1) Tax Lists, 1888-1966;; 2) Motor Vehicle Tax Lists, 1935-1950; 3) Delinquent Tax Lists, 4) Tax Sale & Redemption Records; 5) Special Assessments, 1909-1949; 6) School Land Records, 1894-1972; and 7) Miscellaneous, 1953-1960. Series one consists of personal and real estate valuations, 1888-1966 and School Land Records, 1888-1963. Personal and Real Estate valuations are combined in one volume through 1940. Included among the tax lists are Motor Vehicle Tax Lists, 1935-1950; a Curb and Gutter Tax List for 1934; and a Sewer District Tax List, 1927-1932. Also included is one small box of school land lease correspondence, 1894-1972 and miscellaneous school district correspondence, 1953-1960.

The Assessment records of Subgroup Two consist of personal and real estate assessment schedules, 1889-1975. Personal and real are combined through 1907. Also included are personal recapitulations, 1909-1919, Livestock Recapitulations, 1911-1925 and n.d., and a recapitulation of intangible property, 1930.

Subgroup Three consists of Commissioners Proceedings copied for the Reference Room in 1976 from security microfilm done by the county in 1974. Microfilm roll one begins with records from the Register of Deeds, Subgroup Five, 1893-1951.

Subgroup Four, County Clerk is divided into three series: 1) Marriage Records, 1889-1955; 2) Mark & Brand Records, 1874-1899; and 3) Militia Lists, 1894-1929. Series One, Marriage Records, was microfilmed by the Genealogical Society of Utah, in 1997, in cooperation with the Historical Society. Series Two includes a Mark & Brand record for Deuel County, 1874-1899; and Series Three consists of two soldiers and

sailors official rosters for Swan and Chappell precincts, 1929, and soldier and sailor rosters, 1894.

There are currently no records in storage for the remaining subgroups.

The Commissioners' Proceedings were copied from security microfilm in June of 1976, and the rest of the collection, except the marriage records was transferred to the Archives, November 5, 1987. The marriages were microfilmed by the Genealogical Society of Utah in cooperation with the Historical Society in 1997.
