# ACKNOWLEDGMENTS

The Nebraska State Historical Society wishes to thank the following individuals and institutions for their kind and generous support of its efforts to produce the exhibit, "The Heart of Two Continents: Czechs and Nebraska." The extraordinary assistance provided by Czechs and Czech-Nebraskans is also reflected in this special issue of *Nebraska History*, particularly in the many illustrations drawn from the exhibit. The Society also wishes to thank once again, without listing them here, the property owners who, over the years, have generously allowed staff access to their historic properties.

We hope the scope and quality of the exhibit and publication adequately reflects the vision and involvement of all who contributed.
