

WILLIAM JENNINGS BRYAN
"MARYMONT"
COCONUT GROVE
FLORIDA

When are you ¹⁰
going to spend the summer
with Charlie is my only
my dear sister ^{returning}

I am writing this
letter for Fannie & Bess as well
as for you. You have doubt-
less read of the Tennessee case.
I want you to steel your
silver against criticisms ^{of me}
for the big papers are wrong
on this question as our
most question. I am
satisfied the court will
hold fast, that the state
has a right to control
