

Omaha Nebraska July 20th 65

Dear Father

I have received no letter from you for about two months and give up expecting any.

I arrived here from Council Bluffs yesterday.

Have found a good boarding place in private family at 7 dollars per week

my expenses are about 3 dollars per day

He done about \$150 work in Council Bluffs in two weeks -

Shall remain here about two weeks then go to Nebraska city 40 miles below on the Missouri River

I saw Frank Goodell here yesterday. he is clerking in a Dry Goods store. Charley is here working at the carpenter trade. Steve is at Denver. Lawyer Hyde lives near here.

The Pacific Rail Road terminates here. they are laying the track.

I expect to return to Michigan this fall. My man is hired two months longer.

There is a great deal of rainy weather here. which makes it sticky
