Mr. Charles Reynolds,

Dear Mr. Reynolds:

I have before me a letter written by Mr. Bartells of Carroll, Nebraska, in which he sends me the names of the Wayne county central committee. This is a list that was taken from your county paper and while the names are there we are unable to tell the postoffice addresses of the different committeemen. Kindly send me this information at your earliest convenience, addressing me here at Grand Island and greatly oblige.

Mr. Chas. W. Reynolds,

Dear Mr. Reynolds:

I have a date for Sept. 21st at Schuyler so will not be able to get to meet with you on that day. I regret this very much as I would like very much to meet with the Democrats of Wayne County. If you would like to fix a series of meetings, if you think you can get a crowd out to meet me, I will be very glad to spend a day in Wayne County addressing as many meetings as you can arrange for. We might possibly make a tour of the County although that will be a matter for you to decide for yourself. A meeting in your town on Saturday would necessitate my staying away from home over Sunday. I would rather come another date so that I can be home Sunday. You might drop me a line outlining the situation and we can make some arrangements in regard to the matter.

With best wishes to you, I am,

Your friend,

Mr. C. W. Reynolds,
Wayne, Neb.

Dear Sir:-

The Democratic National Committee takes this method of appealing to you as a loyal Democrat to aid in electing our splendid candidate, Governor Woodrow Wilson, to the Presidency. There is a great deal you can do in your community in the way of attending all party meetings and spreading Wilson enthusiasm on all occasions among your neighbors and associates.

This SPECIAL CALL is for financial assistance to meet the forces of Roosevelt and Taft. As you know, the Democratic Party in its platform, adopted at Baltimore, as well as by the public utterances of Governor Wilson since the Convention, has voluntarily cut itself off from the big corporate interests which always stand ready to pay the expenses of a political campaign. Therefore, we must depend upon the voters themselves to pay the legitimate expenses of placing a Democrat in the White House.

The "WORLD HERALD" of OMAHA is co-operating with us in receiving contributions, and, I am sure, your name appearing in its columns will inspire others to contribute in like manner.

EVERY contribution will be published in that paper, and the National Treasurer, Rolla Wells, will forward each contributor a beautifully lithographed receipt, well worthy of framing.

Yours very truly,

FWS/AA

Dear Sir:

At the last meeting of the Omaha Woman's Democratic league it was decided to form a state organization. The plan is to have one or more representatives from each county in the state.

Can you give me the name of a woman in your town, of good standing, who will take an active interest in forming a local league and who will attend the state meeting. The date of the meeting for the organization of the state league is Saturday, October 5, at 11 o'clock, at the Paxton Hotel, Omaha.

The meeting will be followed by a Dutch treat luncheon after which the women will go to the auditorium to hear our distinguished countryman, Mr. Woodrow Wilson, who will speak here that day.

Among those who have accepted are: Mrs. W. J. Bryan, Lincoln, Mrs. Gilbert M. Hitchcock, Omaha, Mrs. Dan V. Stephens, Fremont, Mrs. Charles A. Tracy, Benson.

An immediate reply will be appreciated as our time is short.

Yours sincerely,

ORGANIZATION BUREAU

T. P. GORE,
CHAIRMAN

Sept. 25, 1912.

Mr. Chas. Reynolds,
Wayne, Neb.

My Dear Sir:

The prospects for Democratic success in the Presidential contest are most gratifying. Conditions have never been more promising. We must, however, TAKE NOTHING FOR GRANTED, and we must continue a vigorous and unremitting campaign until the battle is done and success achieved.

A successful campaign can only be conducted through a compact and effective organization. No part of such organization is more efficient than the precinct committeemen. We look to you to see that the full Democratic vote is cast on the day of the election and that liberal minded Republicans are influenced to support the National Democratic ticket. We have confidence that you will perform this most important service loyally and thoroughly.

I am handing you herewith a series of questions on a blank form which I earnestly request that you fill out and RETURN AT ONCE to Senator T. P. Gore, Chairman Organization Bureau, Chicago, Ill. As you will observe there are four distinct matters concerning which we need your immediate help.

- (1) Name four active Democratic workers in your precinct who will be the most effective workers for the Democratic Cause both before and on election day. This is especially important and necessary for the best results. Have them scattered over different parts of your precinct. We want to get in touch with them without delay.
- (2) We want the names of the young men in your precinct who will cast their first Presidential vote this fall. Classify them according to their politics. Governor Wilson especially appeals to young men and we want to make them effective factors in winning success for the Democratic ticket.
- (3) We want the names of the liberal minded republicans in your precinct, so far as you know them, who have expressed themselves as intending to vote for Governor Wilson, or who may be influenced to do so. The more of these men we get in touch with, the better it will be for every Candidate on the Democratic ticket, both local and National.
- (4) It is very important that we get from you the general information concerning present conditions in your precinct so that we can more intelligently do the things that are necessary to get the best results. WE ARE DEPENDING ON YOU.

I cannot impress upon you too strongly the necessity for giving us these names and this information at once.

Yours very truly for Democratic Success,

William F. McCombs

Chairman Democratic National Committee.

ATTORNEY-AT-LAW

WEST POINT, NEBR., Oct 6th. 1912. 191

Secretary of Democratic County Central Comm.

Wayne,

Dear Sir;-

As a member of the State Central Comm for this district, I have been asked to try and collect \$100.00 from my district for the coming campaign. And while I feel that this is quite a large sum to raise from the democrats from this district, I want at least to make an effort to raise what I can, and hence I am calling upon you for a small contribution from your count. In view of the fact that so many of our people have already contributed, either to the World Herald fund, or their local paper as was the case with your county and Pierce also, I have not thought proper to ask for a specific amount, but to leave that to yourself. In this county we expect to raise about \$35.00 or \$40.00, besides what we have already contributed, and Pierce County has given me \$22.00, besides what was sent in to the World Herald. I notice that Wayne has already made a very liberal contribution to the World Herald fund, but in so far as Wayne County is in my district, I don't want to slight them by not asking. Hence sum you can raise, I would be pleased to receive, as soon as possible, and when I remit same to P. L. Hall, Treasurer, I will have him send you a receipt for the amount sent me. Hoping I may hear from you shortly, I am

Dear Mr. Reynolds:

I am pleased to advise you that Hon. Ashton C. Shallenberger will arrive in Wayne Thursday, October 24th, at 2:10 P. M. on the train from Norfolk and speak in your city at 2:15 P. M. This can be an open air meeting if the weather is pleasant and he can speak from an automobile on one of your principal street corners. Mr. Shallenberger is due at Wakefield for a speech at 4:00 P. M. He will have to go by automobile and I am depending upon the good people of Wayne to see that he is taken to Wakefield by 4:00 o'clock. I am asking you and Mr. Massie as chairman and secretary of the county central committee to take charge of this meeting and give it as wide publicity as possible. We shall also expect you to see that Mr. Shallenberger gets to Wakefield in time for his meeting there.

Trusting that the above will be satisfactory and that the meeting is a success, I am

Very truly yours,

HENRY C. RICHMOND
OMAHA, NEB.

Dear friend:-

During Mr. Hitchcock's senatorial campaign and several other warm contests I was in position to know the value of your service so well that I venture now an appeal to you on my own behalf.

It is mere impudence to ask you to personally take up campaign scare-crows, but if you will see to it that a somber likeness of my modest physiognomy is pasted secure in a place so permanent and conspicuous as to drive the voters excitedly in my direction, I promise you here and now a cosy corner and a fat cigar any time you call at the auditor's office during the next two years.

I need not cite you to the sharp contest for the position between W. B. Howard and myself. Doubtless you have heard it much discussed in your community. I only ask you to ask your members of the legislature if the influence backing my opponent are those which should control the important offices to which we aspire. You will be surprised to learn how desperately and brutally the insurance lobby is seeking to elect its man.

I am resolved to make this fight on a high plane and if elected you may be assured some sweeping reforms will follow. Will you help me?

Very sincerely yours,

For State Auditor.

Dear Sir:

As you perhaps know the Sioux City Daily News is actively supporting Woodrow Wilson and progressive democracy.

Believing that you are interested in democratic success this fall we are writing you for a little favor which will cost you nothing but five minutes of your time.

We will, within a few days, announce a monster circulation contest in which we will give away \$5,500 worth of automobiles, pianos, watches, diamonds etc. These will be given away by districts so that they will be distributed throughout the territory. The contest will be open only to ladies married or unmarried and the ones that get us the most subscriptions in each of these districts will get prizes. All who do not win prizes will be paid a commission on the amount of subscriptions turned in. So there will be no losers.

On the opposite side of this letter are a few blank lines which we would ask you to fill in. Please give us the names of at least five of the young women of your locality whom you think would make good candidates in this contest. Please pick out the hustlers--the ones who would make a winning campaign. We would prefer the names of ladies whose families want automobiles.

It will not be necessary for you to interview or gain the permission of these ladies, as they have the privilege of withdrawing their names and your name will not be divulged as the one making the nomination.

We want to make this campaign a great success and we believe you will be willing to help us this much.

We are enclosing stamped envelope for reply. Just turn this over and write the names in the blank lines.

Yours for co-operation,
