Dobbs.

Thomas Dobbs was taxed in Lack township, Cumberland county, in 1778, 1779, 1781, 1782 and 1785. -Pennsylvania Archives, 3rd Series, Vol. XX, pages 112, 136, 449, 594, 728.

Mifflin county, Pennsylvania was formed in 1789, and included Lack township, Cumberland county.

Thomas Dobbs is listed as a resident of That Portion of Mifflin county south of the River Juniata, as head of a family of 44 males over 16, 3 males under 16 and 4 females, Pennsylvania Census for 1790, page 151.

Thomas Dobbs, Sixth Class Private, Captain William Campbell's 4th company, 7th Battalion, Cumberland County Militia, commanded by Col. James Purdy, May 1, 1780. -P.A., 3rd, XXIII, 674; 5th, VI, 475.

It is likely that the above Thomas Dobbs may be the father of ~~Mary~~ Dobbs who married Abraham Enslow.

U. S. DEPARTMENT OF LABOR
IMMIGRATION AND NATURALIZATION SERVICE
WASHINGTON

ADDRESS REPLY TO COMMISSIONER OF
IMMIGRATION AND NATURALIZATION
AND REFER TO FILE NUMBER

PROCEDURE FOR SECURING INFORMATION FROM
THE IMMIGRATION AND NATURALIZATION RECORDS

1. Information from the records of this Service, as distinguished from copies of records, may be furnished in the discretion of the Commissioner of Immigration and Naturalization, Washington, D. C., where not prejudicial to the Government or the public interest. Persons, except Government officials, desiring such information must submit sworn application setting forth their interest, the reason the information is wanted, and the purpose for which it is to be used, with such other evidence as the Commissioner of Immigration and Naturalization may require.

2. Records prior to July 1, 1924, of arriving aliens are kept at the various ports of entry and not in the Central Office. To locate such a record it is usually necessary to have complete information as to the name of the person as spelled at the time of arrival, and the month, year, name of the steamship, and port of arrival. If entry occurred prior to July 1, 1902, such information is absolutely necessary. It will also be of assistance in locating records of early arrivals to have information regarding the nationality of the persons concerned and the name of the port from which they embarked for the United States. Records of entry on the Canadian and Mexican borders, with a few exceptions, do not antedate 1903 and 1908, respectively. RECORDS OF DEPARTURES are on file at the various ports and usually do not antedate March 1, 1929. It is necessary to know the port, name of the steamship, and date of departure in order to locate a record of the departure of any person.

3. It should be understood that immigration records of arrivals prior to July 1, 1924, do not show the date of birth of the person concerned, but merely the age as stated at the time of arrival. Date of birth is shown only in certain records relating to admissions for permanent residence on and subsequent to July 1, 1924.

4. To locate a naturalization record, it is generally necessary to know the name and location of the court in which the naturalization was granted, and the approximate date of naturalization. This information, or at least information as to the places of residence in the United States of the person concerned and the dates between which he resided in each place, is absolutely necessary if the naturalization occurred prior to September 27, 1906, as the only records of persons naturalized prior to that date are those on file in the respective courts.

5. An alien resident of the United States (other than an alien ineligible to citizenship) who desires to have an American consul furnished with information as to his lawful admission to this country for permanent residence, for use in connection with the application of a relative for an immigration visa under the Immigration Act of 1924, as amended, may execute Form 575, a blank for which purpose may be obtained from any office of the Immigration and Naturalization Service, or from the Commissioner of Immigration and Naturalization, Washington, D. C. The form should be made out and filed in strict accordance with the instructions thereon.

6. Those persons who desire verifications of arrival in the United States for use in making various immigration or naturalization applications should fill in, to the best of their ability, the blank forms which may be secured from any field office of the Immigration and Naturalization Service, from the Commissioner of Immigration and Naturalization, Washington, D.C., or, in the case of naturalization applications, from clerks of naturalization courts.

Thomas Mehaffey Records Cumberland County, Penna

There is no date of letters issued upon the estate of Thomas Mehaffey, in Cumberland County

He was however dead before the date of the following instrument viz July 1st 1807 which was recorded July 3rd 1807 land in deed lying in Middleton township (afterwards divided into North and South Middleton townships)

The deed was between Andrew Mahaffey, John Mahaffey, Margaret Mahaffey, and Margaret Mahaffey, alias Martha Marshall, all of the township of Middleton county of Cumberland state of Pennsylvania of the one part and David Eby of the other part. The grantors of the first part being heirs and children of Thomas Mehaffey of Middleton township. Land adjoined that of David Eby Gilson Craighead and the Yellow Breeches Creek. The sale price was \$192⁴⁵ for eight acres and three perch.

The following Orphans Court record is very satisfactory from every angle. Orphans Court Docket No 6 page 47

At an Orphans Court begun Tuesday the 13th of February A.D 1816

Came Margaret Mehaffey, one of the daughters and heirs at law of Thomas Mehaffey, late of South Middleton township, Yeoman, deceased and Jane Marshall daughter and sole heir of Martha Marshall deceased which said Martha married Joseph Marshall (Martha daughter of Thomas Mehaffey) preferred a petition saying that Thomas Mehaffey died intestate since 19th of April 1794 (a phrase meaning that since the law of April 1794 was signed which did away with the English law of primogeniture, all children sharing equally with the elder son who formerly had two shares as such, L.E.F.) That Thomas Mehaffey lived in Middleton township and had a plantation of 225 acres and left issue seven children to wit 1, Mary intermarried with John Love, deceased. 2, Andrew Mehaffey, who died ^{since} ~~the~~ the intestate, unmarried with no issue, ^{inter 1768} 3 Janet, married with Thomas Dobbs, 4 Sarah, married

Survivor's decision
Matthew Allison, (said Sarah being deceased since intstate's death leaving issue four children to wit 1 Margaret married Joseph Johnston, 2 William 3, Mary married John McCormick, deceased and 4 Sarah) and 5 John Mehaffey, 6 Margaret Mehaffey, 7, Martha married Joseph Marshall, said Joseph and Martha Marshall both deceased left ^{only} heir and only daughter, to wit Jane Marshall, the other petitioner. The petition asked that the land of the late Thomas Mehaffey lying in South Middleton township be divided or appraised for selling as one whole tract to further the settlement of the estate.

The date of the death of Thomas Mehaffey was likely about 1806, as near as I can judge, L.E Flower.
