

Substance of  
Claim laws

July 14<sup>th</sup>  
1837

*Digest of Club laws  
of "Bellevue Settler Club"*

Sept 23<sup>rd</sup> } Bellevue Club law required claimants  
1854      to register their claims with a description  
              of the same as near as may be - to state  
              them in the Prairie & blaz in the timber -  
No claim recognized, that was made before  
the ratification of the "Treaty" — A claim  
shall not consist of more than 320<sup>acres</sup>

Any person not occupying his claim shall  
within six months from the time of the right  
of occupancy be required to have done fifty  
dollars worth of work, & the succeeding twelve  
months an additional quantity of \$100 worth  
of work — And any claimant failing  
to comply with the above shall be deemed  
to have abandoned his claim — And no person  
shall be allowed to hold a claim unless he  
shall within eighteen months become an  
actual resident of this Territory — And no  
person can hold by proxy or hold more than  
one claim —

October 28<sup>th</sup> } All claimants were required to  
1854      register their claims within thirty  
              days from this date, And all claims  
hereafter made within thirty days from  
the time of making — And in case  
of failure, said claims shall be deemed  
vacant & liable to be taken by any other  
person entitled to hold a claim.

Feb. 10 } Same Club laws would recognize no claim  
1855 } right made prior to the ratification of the Treaty  
              And recognized the right of every  
resident of the United States, of lawful  
age, or who may be the head of a family,

Adopted 10<sup>th</sup> Feb 1855

Or who may be by a vote of the Club admitted as a member, to select mark & claim three hundred & twenty acres of land & who shall within four months from this date, or from the time of making the claim proceed to erect thereon a cabin, or such other improvements as he may deem best, (And shall within four months thereafter move upon & make his home upon said claim) claims to be well stated & blazed, & a description registered—(Claims forfeited if not entered upon & improved within four months as above) Claimants to deed & re-deed so as to leave the land as near as possible as claimed—~~to~~ Those parts within brackets, soon repealed June 30<sup>th</sup> 1855 So that it shall be sufficient for a claimant of a resident of the Territory to improve his claim from time to time to entitle him to hold it.

The foregoing were the laws of the Bellevue Club, But there was a split in the Club, & a new Constitution & the former Club called the & called "The Platte Valley Actual Settlers Club" Adopted Feb 17<sup>th</sup> 1855 Rules &

1855 } A claim shall not consist of more than 320<sup>acres</sup> but may be held in two parts, with not more than 80<sup>acres</sup> of timber, No one to hold more than one claim, or to hold by proxy— all residents of the Territory of lawful age may hold claims—Claims to be well marked—In corner states having claimants name, time of making & number of acres— Claimant shall have begun to make

Feb 17<sup>th</sup> 1855-

improvements thirty days after making claim  
& within thirty days more shall reside on his  
or her claim, unless excused by a vote of the  
club & shall continue to improve &c.

The New Clubs at a Mass Meeting  
were united, & the Old Clubs dissolved  
Sine Die— And the Mass meeting  
adopted their rules July 14<sup>th</sup> 1855—

July 14<sup>th</sup> 1855 Club laws &c A claim not to  
consist of more than 320<sup>acres</sup> & may  
be held in two parts, & not more than 80<sup>acres</sup>  
of timber, except those heretofore made,  
No one allowed to hold more than one claim  
or to hold by proxy— All residents of the  
Territory of lawful age may hold claims—  
Claims to be well stated in the Prairie, &  
blazed in the timber— Corner stakes to be  
marked with claimants name, number of  
acres & time of making— & within thirty  
days from time of making, or from this  
date claimant shall have begun his or  
her house, & within thirty days thereafter  
shall reside on his or her claim or some  
good citizen instead— unless excused by a  
special vote of the Club, & after residing thereon  
shall not leave it more than sixt<sup>six</sup> days at any one  
time— & shall continue to make <sup>such</sup> improvements  
as will indicate claimants intention of making it  
a permanent home— Club to protect members  
in the possession of their claims— Claims to be  
recorded if allowed by a vote of the club— At the first  
Meeting after being presented—  
Dec 1855 Members agree to deed & reded

so that the lines shall conform as near  
as may be to the present claim lines

and that a reference by the original claim  
and original patent to the original claim  
and original patent shall be retained and  
that the original claim lines shall remain  
unchanged and undisturbed except as

the same shall be modified by the addition  
of new matter and by the insertion  
of new matter, and not in such a  
manner as to render all the original claim  
matter and original claim lines invalid.

It is understood that it is desired to  
have the claim lines as originally  
stated, with the original claim lines  
and matter unaltered as far as possible.

It is also understood that the original  
claim lines and original claim lines  
shall not be modified so as to render  
a claim invalid and shall be maintained to the  
extent possible without violating the original  
claim lines and original claim lines.

It is further understood that the original  
claim lines and original claim lines  
shall not be modified so as to render the original  
claim lines and original claim lines  
invalid and shall be maintained to the extent  
possible without violating the original  
claim lines and original claim lines.

It is further understood that the original  
claim lines and original claim lines  
shall not be modified so as to render the original  
claim lines and original claim lines  
invalid and shall be maintained to the extent  
possible without violating the original  
claim lines and original claim lines.

It is further understood that the original  
claim lines and original claim lines  
shall not be modified so as to render the original  
claim lines and original claim lines  
invalid and shall be maintained to the extent  
possible without violating the original  
claim lines and original claim lines.
