

State of Nebraska – Nebraska State Historical Society REQUEST FOR PROPOSAL FOR CONTRACTUAL SERVICES

Historic Preservation Educational Programming - Statewide (HPEP)

Context

The Nebraska State Historical Society (NSHS) is a state agency and consultants will need to adhere to any applicable state and federal regulations. Funding for this project is dependent on a grant awarded by the National Park Service, CFDA/Assistance Listing 15.904, grant P24AF01925.

This project will be paid in part or fully through federal monies. As such, consultants are expected to adhere to both State of Nebraska requirements and applicable requirements by the Secretary of Interior/National Park Service, and those contained within Office of Management and Budget (OMB) circulars and 2 CFR 200: Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

The consultant will need to be registered in the System for Award Management (SAM) and be assigned a Unique Entity Identifier (UEI) in order to receive federal funds. This is a free process but can take time to set up. Visit www.sam.gov or contact NSHS for more information.

Project Goals

NSHS is seeking the services of a skilled consultant, non-profit organization, or other organization, to prepare and present public engagement and educational opportunities to Nebraskans related to historic preservation. The intent of this program is to partner with organizations in Nebraska in providing more educational opportunities to the public on the topic of historic preservation and associated themes to help dispel preservation misconceptions, encourage appropriate historic preservation practices, and spark curiosity.

Scope of Work

NSHS through the State Historic Preservation Office (SHPO), seeks the services of a skilled consultant to prepare, host, and present at least three educational programs within 12 months (January 2025 – December 2025) related to historic preservation. These presentations must be made accessible to Nebraskans across the state by having them be hosted in various geographic locations and/or have a virtual attendance option. All programs must occur within Nebraska. Appropriate program types include in-person or virtual speaker-led presentations, workshops, or both speaker-led presentations and workshops.

Examples of educational programming topics related to historic preservation include:

- Hands-on preservation demonstrations (e.g. restoring windows, sanding doors, cleaning metal),
- Best practices for repairing/rehabilitating historic homes,
- Addressing misconceptions about the National Register of Historic Places,
- How to conduct building surveys,
- Rehabilitation and building reuse opportunities in historic districts,
- Current topics in historic preservation, and
- Other topics related to historic preservation (with approval from NSHS/SHPO).

All activities undertaken for the programs must conform to all standards and regulations provided within the HPF Grant Manual issued by the National Park Service. A copy of the HPF manual may be obtained online at: nps.gov/subjects/historicpreservationfund/historic-preservation-fund-grant-manual.htm. Any project funded must include a final product at completion that matches the detailed line items outlined in a bid, defined in the service agreement, and approved by NSHS/SHPO staff.

The total budget estimate is to be proposed by the bidder and approved by NSHS project coordinators upon acceptance of services. The consultant will be expected to have experience in providing public educational opportunities and have an existing association or commitment to historic preservation.

The selected consultant's contract will include, and extend through, the following phases of work, tasks, and expected deliverables.

1. Project Plan
 - a. Planning phase meeting with the Deputy State Historic Preservation Officer or their designee(s); and
 - b. Plan of action summarizing agreed-upon deadlines for submitting and reviewing programming topics, project reporting, and end-of-project deliverables.
2. Project Progress Reports
 - a. The first progress report shall be submitted no later than April 15, 2025. It shall include a summary of activities completed in the first three months of the 12-month program period. It should also include a projection of the next three months of programming and note any potential opportunities or challenges the project may face in meeting program goals.
 - b. The second progress report shall be submitted no later than July 15, 2025. It shall include a summary of activities completed in the previous three months. It shall also include at least one Final Deliverable from a completed educational program.
 - c. The third progress report shall be submitted no later than October 15, 2025. It shall include a summary of activities completed in the previous three months.
 - d. The fourth and final progress report shall be submitted no later than January 15, 2026. It shall include all required Final Deliverables, including final numbers on how many people attended all educational programs and any materials created.

3. Final Deliverables
 - a. Electronic copies of material created to advertise the programs (emails, flyers, etc.).
 - b. Digital recordings of virtual presentations.
 - c. Electronic copies of any handouts created for programming that were approved as part of the service agreement.
