EDITORS AND THINGS.

ISSUED WHENEVER NEEDED

HE'S GOT US GUESSING

We dont know who the editor of the FERRAT is but we think he is a four-flusher and if he doesnt put a brake on that steam-hammer of his some of the Labor Temple Aristocrats are going to put him out of business.

We also think he is running a scab shop as we are unable to find the lable on his paper, perhaps he is associated with the World Herald or the Western Laborer, but we want no camouflaging around the Labor Temple, and if he dont put the lable on the next issue we are going to boycott the scabby sheet.

IF YOU DONT WANT TO BUY A BOND, MAYBE YOU'LL GET ONE FOR NOTHING WHEN THE KAISER GETS OVER HERE.

AINT IT THE TRUTH

Say you "knights of rest" you should do your resting at night, daylight was made to work in. GET BUSY.

KURLY WRINKLES believes in giving his customers something that sticks to the ribs, his candy has glue in it.

Speaking of Judas, what do you think of W.E BRYAN, delegate to the non-partisan league? we beleive a man should at least one thing well. Be careful not to let Bryan kiss you.

So WE'LL TRY TO PUT YOU OVER LAND YOU IN A PATCH OF CHOYER BUT THE PEOPLE OF THE TOWN YOUVE GOT TO SERVE.

BING - BING

We think Mr. Chase is a nice man alright but we cant figure out why he sported mayor Sims picture on his flivver on primary day, Maybe he thinks he is going to be boiler inspector after Whithnell gets fired. If he does he has another guess coming.

Who said the editor of the BLAST was an I.W.W.?

PLEASE TAKE NOTICE

TOM REYNOLDS says that when he gets to be police Commissioner he is going to take the graft out of the City Hall. Maybe he is going to take to the police station instead.

Organized labor beleives in boosting everybody. That's why they boosted Kugel out of the City Hall on primary day. The rest of the present Bolshereviki will get thiers on election day.

When J.M.B. starts "shooting the bull" it makes the Germans ashamed of thier big gun.

This is a booster paper and we dont beleive in knocking anyone. If Dahlman isn't good enough for you whats the matter Jardine? Tell it to Sweeney.

Jonas Wangberg is shaving himself these days. He refuses to let the barber shave him because there is no lable on the soap. Good for Jonas.

TOM FALCONER independent candidate for City commissioner says if the whole town is against, he is against the whole town. Bully for Tom. He's got more nerve than the Kaiser.

Some wise guy said Henry wulf couldnt be elected, wonder if he knows the civil war is ended yet. It's a cinch hes not a union man or he would be more up with the times. MAYBE.

WONDER IF THE FERRAT HAS SEEN HIS COUSIN THE WEASLE LATELY, THEY'RE SLIPPERY BIRDS BOTH OF THEM.

The UNION teamsters are complaining about being over worked hauling the tobacco from the Labor Temple that is being donated by the union men for the union soldiers in the trenches.

SUBSCRIBE FOR THE FERRAT BUT SET A TRAP FOR THE WEASLE.
