

# ARCHEOLOGY PRE-WORK

## Merit Badge Requirement #4

4. A--Learn about a combined total of **five archaeological sites** located both within and outside the United States.

- For each site you research:
  - Point it out on a map and explain how it became known to archaeologists.
  - Describe some of the information about the past that has been found at each site.
  - Explain how the information gained from the study of these sites answers questions that archaeologists are asking and how the information may be important to modern people.
  - Compare the relative ages of the sites you research

4. B--Choose ONE of the sites you picked and give a short presentation about your findings to a Cub Scout pack, your Scout troop, your school class, or another group.

- ***Please come to the Merit Badge workshop ready to share with the group about what you have learned!***
